MODE OF CARRYING OUT THE ASSEMBLY

In accordance with Article 106, paragraph 4 of the Legislative Decree of March 17, 2020, No. 18 (the "**Decree**"), as converted with amendments, and whose application was last extended by Legislative Decree of December 29, 2022, No. 198, converted with amendments by Law No. 14 of February 24, 2023, the intervention of those entitled to vote in the Assembly may only take place through the Appointed Representative by the Company pursuant to Article 135-undecies of Legislative Decree of February 24, 1998, No. 58 (the "**TUF**"), in accordance with the provisions of the law and current regulations, as further specified below.

The methods of holding the Assembly may be supplemented and/or modified and, in such case, the variations will be promptly made known by the same methods provided for the publication of the notice of convocation or in any case through the information channels provided by the current legislation from time to time.

INFORMATION ON SHARE CAPITAL AS OF THE DATE OF THE NOTICE OF CONVOCATION

The subscribed and paid-up share capital is equal to Euro 141,544,532.20 and is made up of 62,399,906 ordinary shares without nominal value.

In derogation of the general rule that each share is entitled to one vote, pursuant to Article 8 of the Bylaws, in accordance with Article 127-quinquies of the TUF, each share belonging to the same holder for a continuous period of at least 36 months from the date of entry in the Special Register specifically established is attributed with 2 votes.

Some shareholders are registered in the Special Register for the entitlement to the increased vote. As of the date of this notice, 27,316,702 shares held by the shareholder Finhold S.r.l. have qualified for the increased vote.

The total amount of voting rights, indicating the number of shares that make up the capital as of April 18, 2023 (record date), will be published in accordance with the terms and methods set out in Article 85-bis of the regulation adopted by CONSOB Resolution No. 11971 of May 14, 1999, as subsequently amended and supplemented (the "**Issuers' Regulation**").

The Company holds 798,243 own shares, equal to 1.279% of the share capital, whose voting rights are suspended pursuant to Article 2357-ter, paragraph 2 of the Civil Code.

Therefore, as of the date of this notice, the exercisable voting rights in the assembly are equal to 88,918,365. However, the own shares are included in the capital for the purposes of calculating the shares required for the establishment and resolutions of the Assembly.

VALIDATION FOR PARTICIPATION AND EXERCISE OF VOTING RIGHTS

In accordance with article 83-sexies of the Consolidated Law on Finance, the validation for participation in the Shareholders' Meeting - which can only be done through the Designated Representative - is subject to receipt, by the Company, of a communication, requested by each eligible party from their depositary intermediary, issued by an intermediary authorized under the current regulations, attesting to the ownership of the shares based on the evidence of their accounting records relating to the end of the seventh open market day prior to the date of the Meeting on the first call (i.e. **April 18, 2023**, the so-called *record date*). Registrations in credit or debit made on accounts after that date are not relevant for the validation of the exercise of voting rights at the Meeting. Therefore, those who are only deemed to be shareholders after that date will not have the right to participate and vote in the Meeting and, therefore, cannot issue a proxy (or sub-proxy) to the Designated Representative. In accordance with article 83-sexies, paragraph 4, of the Consolidated Law on Finance, the intermediary's communication must be received by

the Company by the end of the third open market day prior to the date set for the Meeting and, therefore, by **April 24, 2023**. However, the validation for participation and voting is still valid if the communications are received by the Company beyond the aforementioned deadline, provided that they are received before the start of the Meeting. Please note that the communication to the Company is made by the intermediary at the request of the entitled party. There are no procedures for voting by correspondence or electronic means. Other parties eligible to participate in the Meeting other than those entitled to vote (administrators, auditors, the appointed secretary, representatives of the audit company and the Designated Representative) may participate in the Meeting using remote connection systems that allow for identification, in compliance with applicable regulations. Instructions for participating in the Meeting via audio/telecommunications means will be provided by the Company to the aforementioned parties.

REPRESENTATION AT THE ASSEMBLY

According to article 106, paragraph 4 of the Decree, the participation in the assembly of those who have the right to vote is only allowed through the representative designated in accordance with article 135-undecies of the Consolidated Law on Finance (TUF), namely through Monte Titoli S.p.A, with registered office in Milan (MI - 20123), Piazza degli Affari n. 6 (the "**Designated Representative**" or "**Monte Titoli**"), in compliance with the provisions of law and current regulations, as further specified below.

Shareholders who wish to attend the assembly must therefore give the Designated Representative, at no cost to the grantor (except for any shipping costs), a proxy - with voting instructions - on all or some of the proposals for resolutions regarding the items on the agenda, using the specific proxy form prepared by the same Designated Representative in agreement with the Company, available on the Company's website at www.salcef.com in the *Governance/Shareholders' Meetings* section.

The proxy form with voting instructions must be sent, together with a copy of a valid identification document of the grantor or, if the grantor is a legal entity, of the legal representative pro tempore or of another person with appropriate powers, together with suitable documentation attesting to their qualifications and powers, to the aforementioned Designated Representative by the end of the second open market day preceding the date of the assembly (i.e., by **April 25, 2023**), using one of the following alternative methods: (i) transmission of a computer-reproduced copy (PDF) to the certified e-mail address RD@pec.euronext.com (subject "Proxy for Salcef 2023 Shareholders' Meeting") from their own certified e-mail box (or, failing that, from their ordinary e-mail box, in which case the proxy with voting instructions must be signed with a qualified or digital electronic signature); (ii) transmission in original, by courier or registered letter with return receipt, to Monte Titoli S.p.A. - c/o Register & AGM Services Office, Piazza degli Affari n. 6, 20123 Milan (Ref. "Proxy for Salcef 2023 Shareholders' Meeting") with an advance computer-reproduced copy (PDF) sent by ordinary e-mail to the address RD@pec.euronext.com (subject "Proxy for Salcef 2023 Shareholders' Meeting").

The proxy and voting instructions may be revoked by the end of the second open market day preceding the date set for the assembly (i.e., by **April 25, 2023**) using the above methods.

The shares for which a proxy, even partial, has been given are counted for the purposes of the regular constitution of the assembly. With regard to proposals for which no voting instructions have been given, the shares are not counted for the purposes of calculating the majority and the capital required for the approval of the resolutions.

As permitted by the Decree, in derogation of article 135-undecies, paragraph 4 of the TUF, those who do not intend to use the intervention method provided for by article 135-undecies of the TUF may, alternatively, attend by giving the same Designated Representative a proxy or sub-proxy in accordance with article 135-novies of the TUF, containing voting instructions on all or some of the proposals on the agenda, using the

proxy/sub-proxy form, available on the Company's website at www.salcef.com in the *Governance/Shareholders' Meetings* section. For the transmission of proxies/sub-proxies, the methods mentioned above must be followed and also indicated in the proxy form. The proxy must be submitted by 6:00 pm on the day before the assembly (and in any case before the start of the assembly proceedings). Within the aforementioned deadline, the proxy and voting instructions can always be revoked using the aforementioned methods.

For any clarification regarding the delegation to the Designated Representative (particularly regarding the completion of the proxy form and voting instructions and their transmission), authorized parties may contact Monte Titoli S.p.A via email at RegisterServices@euronext.com or by phone at (+39) 02.33635810 (on business days, from 9:00 a.m. to 5:00 p.m.).

INTEGRATION OF THE AGENDA AND PRESENTATION OF NEW RESOLUTION PROPOSALS

Pursuant to article 14 of the bylaws and article 126-bis, paragraph 1, first period of the Consolidated Financial Act, shareholders who, also jointly, represent at least 2.5% (one fortieth) of the share capital may, within 10 (ten) days from the publication of this notice of call (i.e. by **April 7, 2023**): (i) request the integration of the list of matters to be discussed, indicating in the application the additional proposed topics; or (ii) submit proposals for resolutions on matters already provided for in the agenda of this notice of call.

The request for integration and the additional proposals for resolution must be submitted in writing by the proposing shareholders, together with the communication attesting to the ownership of the aforementioned shareholding, issued by the intermediaries holding the accounts on which the shares are registered, at the registered office of the Company in Via Salaria n. 1027, 00138 - Rome, to the attention of the Investor Relations department or by sending it to the certified email address salcef@pec.it.

The eventual integrated list of matters to be discussed at the meeting or the additional proposals for resolution presented on matters already on the agenda will be published at least 15 (fifteen) days before the meeting date (by **April 12, 2023**) with the same methods of publication of this notice in order to enable the entitled voters to express themselves knowingly, taking into account such new proposals, and to allow the Designated Representative to also collect voting instructions on the same.

Within the aforementioned term of 10 (ten) days, the proposing shareholders must present a report on the matters proposed for discussion or on the additional proposals for resolution presented on matters already on the agenda.

The Company reserves the right not to accept integration requests sent by certified e-mail that are illegible or transmitted with damaged or otherwise illegible files. Please indicate in the accompanying message a telephone number or an email address where the sender can be contacted.

Pursuant to article 126-bis, paragraph 3, of the Consolidated Financial Act, the integration of the agenda is not allowed for the topics on which the assembly deliberates, pursuant to the law, upon proposal of the administrative body or on the basis of a project or a report prepared by it, other than those referred to in article 125-ter, paragraph 1, of the Consolidated Financial Act.

PRESENTATION OF RESOLUTION PROPOSALS BY THOSE ENTITLED TO VOTE (PURSUANT TO ARTICLE 126-BIS, PARAGRAPH 1, PENULTIMATE PERIOD, OF THE TUF)

Since participation in the Shareholders' Meeting is allowed exclusively through the Designated Representative, for the sole purpose of this Meeting, those entitled to vote may individually present resolution proposals at the Meeting pursuant to Article 126-bis, paragraph 1, penultimate period, of the TUF.

It is recommended that such proposals be formulated clearly and completely and submitted in writing to the Company no later than 15 (fifteen) days before the Meeting (i.e. **April 12, 2023**) using the same methods provided for the submission of pre-meeting questions, namely by sending them to the registered office of the Company at Via Salaria n. 1027, 00138 Rome, to the attention of the Investor Relations Office, or electronically, by sending them to the following certified e-mail address: salcef@pec.it. Interested parties must provide information allowing their identification and demonstrating their entitlement to exercise the voting right.

The Company will promptly (and in any case, by **April 13, 2023**) publish such proposals in a dedicated section of its website, so that the holders of the voting right may view them for the purpose of granting proxies and/or sub-proxies to the Designated Representative, along with relevant voting instructions, while reserving the right to verify - for the purpose of publishing them - their relevance to the items on the agenda, completeness, conformity with applicable regulations, and the legitimacy of the respective proposers.

In case of resolution proposals on the items on the agenda that are alternative to those formulated by the Board, the Board's proposal will be voted on first (unless it is withdrawn), and only in the event that such proposal is rejected, the shareholders' proposals will be voted on. Such proposals, even in the absence of a proposal by the Board, will be submitted to the Meeting starting from the proposal presented by the shareholders representing the highest percentage of the capital. Only in case the proposal being voted on is rejected, the next proposal in order of represented capital will be voted on.

RIGHT TO ASK QUESTIONS BEFORE THE SHAREHOLDERS' MEETING

Those entitled to vote, according to art. 127-ter of the Consolidated Law on Finance, may ask questions on the matters on the agenda by sending them to the Company's registered office in Rome, Via Salaria n. 1027, 00138 - Rome, attention to the Investor Relations Office, or by electronic means, by sending them to the following certified email address: salcef@pec.it. The interested parties must provide information that allows their identification and demonstrates their legitimacy to exercise the right to vote. The questions must reach the Company within the seventh trading day prior to the date of the Shareholders' Meeting on first call, i.e., **April 18, 2023** (the record date). The right to vote may also be demonstrated after sending the questions, provided that it is done within the third day following the seventh trading day prior to the Shareholders' Meeting, i.e., **April 21, 2023**. Only questions relevant to the matters on the agenda will be considered. In order to facilitate the organization of the responses, it is requested that the questions contain a reference to the page number of the relevant Report of the Board of Directors or other document made available for the Shareholders' Meeting. Answers to the questions will be provided by 12:00 pm on April 25, 2023, after verifying their relevance and the legitimacy of the requester, in order to enable those entitled to vote to make an informed decision on the matters on the agenda, also by publishing them on the Company's website at www.salcef.com under the *Governance/Shareholders' Meetings* section. The Company may provide a unified response to questions with the same content. Please note that, according to the aforementioned art. 127-ter of the Consolidated Law on Finance, no response is required to questions asked before the Shareholders' Meeting when the requested information is already available in a "question and answer" format on a dedicated section, if any, on the Company's website, or when the response has already been published on the same website.
